\*Eastern Point Trust Company is not a licensed broker dealer and does not receive commissions related to the buying or selling of any registered trust holdings product. EPTC passes trust holding substitution requests to a licensed executing custodian and only manages the trust's record keeping and reporting requirements as a directed trustee. Therefore, the THSR fee is only associated with the administration and recordkeeping of the THSR.

Eastern Point Trust Company transmits THSR's to the licensed executing custodian as administratively feasible pursuant to Eastern Point's standard administration schedules. In accordance with the terms of the associated trust, Eastern Point does not guarantee any specific execution or timing and is not responsible for any associated delays.

Eastern Point Trust Company offers a variety of trust and trust administration services. In addition to self-help and attorney support software; and document management systems, which provide self-service, automated software solutions. Fees charged are solely for trustee services or licensing fees to access the self-help system, and fees are not a drafting or document preparation fee.

The content herein is provided and limited to information and descriptions of the features and benefits of our services, products, and the trustee's requirements when applicable. This notice is for informational purposes and is not an offer to sell or solicitation an offer to buy any security or legal or trust services. The information herein is not intended to be legal or investment advisory advice and should not be constructed as legal or investment advisory advice. Eastern Point Trust Company and its affiliated companies are not law firms, are not a lawyer referral service, do not act as your attorney or investment advisor.

We are not a substitute for the advice of an attorney or an investment advisor; as such, we do not provide any advice, explanation, opinion, or recommendation about possible legal rights nor express any legal guidance on the matters contained herein, nor do we provide investment advice. As appropriate, seek the advice of an attorney if you have questions concerning legal questions, remedies, defenses, options, or a licensed investment advisor related to investment strategies and products.
