

## QSF360™

The only “end to end” turnkey Qualified Settlement Fund “QSF” solution, administered by a regulated trust company, that allows for QSF creation, approval, obtaining a Tax ID within one to two business days, for multi and single event/claimant cases.

QSF360™ benefits include up to \$125 million in FDIC coverage (per claimant), industry leading low fees, unmatched patented technology with instant access to transactional activity, documents and reporting, and increased asset safety—provided by a neutral and independent trust company leading the way in innovation and compliance.

### Our diverse fiduciary expertise and experience consist of:

**Qualified Settlement Fund administration (QSF360™)**

**Court Ordered Trust administration and trustee services (C3BR)**

**Custodial Account, Settlement Trust, and Corporate Escrow Account Services**

**Guardianship and Custodial Trust administration and trustee services**

**Blocked & Restricted Trust Account administration and trustee services**

**First-Party and Third-Party Special Needs Trust administration and trustee services**

**Foreign Beneficiary Payment Trust Services**

**Institutional Corporate Trust administration and trustee services**

## Company Overview

Eastern Point Trust Company is a multi-state non-depository, trust company and custodian with over three decades of trust experience. For 30 years, our commitment to our company values have helped create an environment that puts client success first—which is why our institutional and retail client relationships continue to grow. Eastern Point Trust has become the fastest growing trust company in the United States through the administration of trusts related to some of the most recognized cases in recent history.
